New Routledge Title!

The Making of Heterosexualities

Sexual Conducts and Masculinities among Young Moroccan Men in Europe

Vulca Fidolini, Université de Lorraine, France

Series: Routledge Advances in Critical Diversities

Drawing on an ethnographic study on young Moroccan immigrants in Europe (France and Italy), this book analyses the hegemonic power of heteronormativity and its plural expressions.

An enlightening book consisting of a rich empirical material and theoretical analysis, this volume will appeal to undergraduate and postgraduate students, as well as postdoctoral researchers who are interested in fields such as Sociology, Anthropology and Gender Studies.
